

# Graduate Medical Education Accountability Report

Academic Year 2014-15

LEARN. CARE. COMMUNITY.

[PNWU.edu](http://PNWU.edu)

## INTRODUCTION

Pacific Northwest University of Health Sciences (PNWU), a health care focused non-profit university located in Yakima, Washington, was founded in 2005. PNWU's College of Osteopathic Medicine (COM) has a mission to educate and train students to become health care professionals with osteopathic values, and conduct research to provide quality care to communities of the Pacific Northwest, particularly rural and medically underserved populations.

The primary teaching goal at PNWU-COM is to provide a learner-centered curriculum that prepares students for graduate medical education and osteopathic clinical service. An essential aspect of the College's mission is the placement of all graduates into residency training programs of their choice. Medical students graduating from PNWU-COM can select the match systems in which they participate: military or civilian, osteopathic or allopathic.

In July 2013, PNWU affiliated with the Osteopathic Postdoctoral Training Institute, OPTI-West Educational Consortium. OPTI-West is a private, not-for-profit, western states regional consortium of osteopathic postgraduate medical education programs headquartered at Western University of Health Science, College of Osteopathic Medicine of the Pacific, in Pomona, California. It is a vibrant, growing organization composed of five medical schools and over twenty training hospitals and community partners. OPTI-West is dedicated to and responsible for promoting and maintaining the highest excellence in postgraduate medical education in member residency programs.

PNWU-COM's Department of Postdoctoral Education has prepared the following report to present a summary of graduate medical education (GME) outcomes for the graduating class of **2015**.

- PNWU's mission towards GME placement and development
- Describe fourth and final year
- Describe the match
- Factors that influence match choices
- PNWU's match rate

# COMMISSION ON OSTEOPATHIC COLLEGE ACCREDITATION

## COCA Standard 8.3

The COM must develop a retrospective GME Accountability Report based on information reported by the COM on the AACOM Annual Report, demonstrating that the COM's mission and objectives are being met. The methods used to develop the report must be fully described and documented. The report must demonstrate the number of graduates entering GME, the positions available in the COM's affiliated OPTI, the historic percentage of match participation, final placement, the number/percentage of eligible students unsuccessful in the matches, and the residency choices of its graduates.

*Guideline: COMs should strive to place 100% of their graduates into GME programs and devote the necessary resources to obtain that goal. At a minimum, this retrospective data should demonstrate a 3-year rolling average final placement rate of 98% for those students eligible and participating who entered the AOA, NRMP, or military, etc. matches.*

## REPORT METHODOLOGY

PNWU-COM's GME Accountability Report is prepared in compliance with the Commission on Osteopathic College Accreditation (COCA) Standard 8.3. The retrospective data is based on information reported by the COM in the American Association of Colleges of Osteopathic Medicine (AACOM) Annual Report, demonstrating that the COM's mission and objectives are being met. The report is distributed to PNWU faculty, staff, and students, and is publicly posted on PNWU's website, PNWU.edu.

### **This report presents the following data for Academic Year (AY) 2014-15:**

- Number of graduates entering GME from the class of 2015
- Historic 3-year data:
  - Final placement numbers by match systems
  - Number and percentage of eligible students unsuccessful in match systems
- Class of 2015 residency program matches
- OGME-1 Residency positions available in OPTI-West Educational Consortium

## **Number of graduates entering GME from the class of 2015**

Data were tabulated from enrollment in the Electronic Residency Application Service (ERAS), the National Board of Osteopathic Medical Examination (NBOME), and the PNWU Registrar. A student was considered in this category if they registered with ERAS, had passed or was scheduled to receive scores for all COMLEX exam requirements prior to June 2015, and the Registrar affirmed them as graduating by July 1.

### **Historic 3-year match system data:**

#### **Final placement numbers by match systems**

This was calculated from the official match reports generated by the match systems, including the Supplemental Offer and Acceptance Program (SOAP) reports from the NRMP match system, and the list of all applicant matches from the National Matching Services system. These data were later affirmed by each student as part of the preparation of the official residency match list database as well as the Commencement Program. This data also illustrates the percentage of match participation by system.

#### **Number and percentage of eligible students unsuccessful in the match systems**

These values were calculated by subtracting the roster totals of the final placement numbers from the number of graduates entering GME.

*Note: Match data was calculated by PNWU's Office of Institutional Effectiveness with raw data provided by PNWU-COM's Department of Student Affairs.*

### **Residency program choices of the 2015 graduates**

As confirmed by the criteria above, the list of matched programs is organized alphabetically by discipline, with match system, residency program name, city, and state provided. The program names listed reflect the accrediting agency listing as posted by the AOA on Opportunities ([opportunities.osteopathic.org/index.htm](http://opportunities.osteopathic.org/index.htm)) and the ACGME ([acgme.org/acgmeweb/](http://acgme.org/acgmeweb/)).

### **OGME-1 Residency positions available in OPTI-West Educational Consortium**

The number of AOA-approved first postdoctoral year of training (OGME-1) positions was tabulated from the published listing of AOA-verified positions for OPTI-West programs

on [www.opportunities.osteopathic.org](http://www.opportunities.osteopathic.org). A single table with medical discipline, program name, and affiliated college of osteopathic medicine is provided.

*Note: This data was tabulated by OPTI-West's Chief Academic Officer. Dermatology positions excluded from total calculation (OGME-2 positions).*

## GME OUTCOMES

### Number of graduates entering GME from the class of 2015

- 71 graduates entered GME from the class of 2015

### Historic 3-year match system data

**Table 1. Final placement numbers by match systems**

MATCH/YEAR	2013	2014	2015
ACGMEI – Initial ACGME Match	26 (34.67%)	26 (36.62%)	22 (30.99%)
ACGMEO – Outside NRMP (prior to NRMP match)	0 (0.00%)	2 (2.82%)	1 (1.41%)
ACGMES – Soap Week after ACGME Match	1 (1.33%)	0 (0.00%)	2 (2.82%)
AOAI – Initial AOA Match	31 (41.33%)	29 (40.85%)	28 (39.44%)
AOAN – AOA Program AFTER the NRMP Soap	6 (8.00%)	3 (4.22%)	2 (2.81%)
AOAO – Outside the AOA Match (prior to AOA match)	0 (0.00%)	0 (0.00%)	1 (1.41%)
AOAS – Scramble AOA Match	2 (2.67%)	6 (8.45%)	11 (15.49%)
MIL – Military	9 (12.00%)	5 (7.04%)	4 (5.63%)
TOTAL PARTICIPANTS	75	71	71
MATCH PERCENTAGE	100%	100%	100%

### Number and percentage of eligible students unsuccessful in the match systems

- 2015 = 0/0%
- 2014 = 0/0%
- 2013 = 0/0%

## **RESIDENCY PROGRAM MATCH (By AAMC Category), PNWU class of 2015**

### **Anatomic/Clinical Pathology**

#### NRMP

- Rutgers RW Johnson Medical School, New Brunswick, NJ
- University of Washington Affiliation Hospital, Seattle, WA

#### Military

- Madigan Army Medical Center, Tacoma, WA

### **Anesthesiology**

#### NRMP

- Geisinger Health System, Danville, PA

### **Emergency Medicine**

#### AOA

- Kingman Regional Medical Center, Kingman, AZ (x2)
- Henry Ford Wyandotte Hospital, Wyandotte, MI
- OSUCOM/Southwest Medical Center, Oklahoma City, OK
- Norman Regional Health System, Norman, OK

### **Family Medicine/General Practice**

#### AOA

- Providence Alaska Medical Center, Anchorage, AK
- Fort Wayne Medical Education Program, Fort Wayne, IN
- Botsford Hospital, Farmington, MI
- Wright Center, Portland, OR
- Trios Health, Kennewick, WA
- Skagit Valley Hospital, Mount Vernon, WA
- Multicare Good Samaritan Hospital, Puyallup, WA
- University of Wyoming, Casper, WY
- Puyallup Tribal Health Authority, Tacoma, WA
- Allegiance Health, Jackson, MI
- Sollus Northwest Family Medicine Residency, Grandview, WA
- PCOM/Wright Center, Auburn, WA

#### NRMP

- Phoenix Baptist Hospital, Phoenix, AZ
- Family Medicine Residency of Idaho, Boise, ID
- Family Medicine SW Washington, Vancouver, WA
- Kadlec Regional Medical Center, Richland, WA
- Providence Sacred Heart Medical Center, Spokane, WA (x3)

## **General Surgery**

### AOA

- St. James Hospital & Health Center, Olympia Fields, IL
- McLaren Greater Lansing, Lansing, MI
- Henry Ford Macomb Hospitals MEP, Clinton Township, MI
- Oakwood Health Care System, Trenton, MI
- Doctor's Hospital, Columbus, OH
- St. Barnabas Hospital, Bronx, NY

### Military

- Walter Reed National Military Medical Center, Bethesda, MD

## **Internal Medicine**

### AOA

- McLaren Greater Lansing, Lansing, MI
- Good Samaritan Regional Medical Center, Corvallis, OR
- Skagit Valley Hospital, Mount Vernon, WA
- Mercy Health Partners Mercy Campus, Muskegon, MI

### NRMP

- Maine Medical Center, Portland, ME
- Providence Sacred Heart Medical Center, Spokane, WA
- Aurora St. Luke's Medical Center, Milwaukee, WI
- Camden-Clark Medical Center, Parkersburg, WV

## **Neurology**

### AOA

- Michigan State University/College of Osteopathic, East Lansing, MI

## **Obstetrics & Gynecology**

### AOA

- Grandview Hospital & Medical Center, Dayton, OH

### NRMP

- Creighton University, Omaha, NE

### Military

- Tripler Army Medical Center, TAMC, HI

## **Orthopedic Surgery**

### AOA

- Community Memorial Health System, Ventura, CA
- Genesys Regional Medical Center, Grand Blanc, MI
- McLaren Greater Lansing, Lansing, MI

## **Pediatrics**

### NRMP

- Our Lady Lake College, Baton Rouge, LA
- University Nevada Reno, Reno, NV
- University South Dakota Vermillion, Vermillion, SD (x2)

## **Physical Medicine & Rehabilitation**

### NRMP

- University Arkansas Little Rock, Little Rock, AR

## **Plastic Surgery**

### AOA

- St. John Providence Health System, Warren, MI

## **Psychiatry**

### AOA

- Arnot-Ogden Medical Center, Elmira, NY

### NRMP

- University of Washington Affiliated Hospitals, Seattle, WA

## **Traditional Rotating Internship**

### AOA

- Good Samaritan Regional Medical Center, Corvallis, OR (x3)
- Rowan SOM/Kennedy University Hospital, Stratford, NJ (x2)
- Delaware County Memorial Hospital, Drexel Hill, PA
- Hemet Valley Medical Center, Hemet, CA
- Manchester Memorial Hospital, Manchester, NH

### NRMP

- University of North Dakota Grand Forks, Grand Forks, ND
- Providence Sacred Heart Medical Center, Spokane, WA (x2)
- Allegiance Health, Jackson, MI

### Military

- Madigan Army Medical Center, Tacoma, WA

**Table 4. OGME-1 Residency positions available in OPTI-West Educational Consortium**

COLLEGE OF OSTEOPATHIC MEDICINE	GME PROGRAM	MEDICAL DISCIPLINES													
		ANE	DR	EM	FM & OMT	GS	IM	NEU	NS	OB/G	OPT	OS	PMR	PSY	TRI

*A key for abbreviations used is on page 9.*

## **OPTI-WEST RESIDENCY PROGRAMS**

ARMC	Arrowhead Regional Medical Center, Colton, CA
BMH	Bakersfield Memorial Hospital, Bakersfield, CA
CCCR	Casa Colina Centers for Rehabilitation, CA
CHC	Community Health Center, Tacoma, WA
CMC	College Medical Center, Long Beach, CA
CMHS	Community Memorial Health System, Ventura, CA
CVMC	Chino Valley Medical Center, Chino, CA
DRMC	Desert Regional Medical Center, Palm Springs, CA
EPFM	East Pierce Family Medicine, Puyallup, WA
GSRM	Good Samaritan Regional Medical Center, Corvallis, OR
MFMR	Montana Family Medicine Residency, Billings, MT
MRMC	Marian Regional Medical Center, Marian, CA
PHH	PHH/Hemet Valley Medical Center, Hemet, CA
PIH	PIH Health Hospital/Downey Regional Medical Center, Downey, CA
PTHA	Puyallup Tribal Health Authority, Tacoma, WA
RCMC	Riverside County Medical Center, Riverside, CA
SNFM	Sollus Northwest Family Medicine, Grandview, WA
SVH	Skagit Valley Health, Mt. Vernon, WA
TH	Trios Health, Kennewick, WA
VHMC	Valley Hospital Medical Center, Las Vegas, NV

## **ABBREVIATIONS OF MEDICAL DISCIPLINES**

ANE	Anesthesiology
DR	Diagnostic Radiology
EM	Emergency Medicine
FM/OMT	Family Medicine/Osteopathic Manipulative Treatment
GS	General Surgery
IM	Internal Medicine
NEU	Neurology
NS	Neurosurgery
OB/G	Obstetrics/Gynecology
OPT	Ophthalmology
OS	Orthopedic Surgery
PMR	Physical medicine and rehabilitation
PSY	Psychiatry
TRI	Traditional Rotating Internship
