

Academic Year 2023-24 Doctor of Osteopathic Medicine (DO)

This form provides the student the ability to opt out of certain PNWU DO program costs normally included in tuition associated with required books or supplies. The opt-out option is required under the U.S. Department of Education, Cash Management Regulations (34 CFR 668). PNWU will refund the appropriate amount for the selected items below within seven days of the start of the fall term.

Please note: If you opt out of receiving the PNWU provided educational resources covered by tuition, it is your responsibility to obtain the educational resources and cover the costs of those educational resources to meet the program requirements. Once you choose to opt out of applying Title IV federal financial aid funds to the tuition associated with educational resources you may not subsequently rescind this request.
