Movement Science  
School of Physical Therapy  
Integrated Clinical Experience  
Referral Form**

The Pacific Northwest University of Health Sciences School of Physical Therapy strives to serve Yakima's underserved community. We are committed to providing physical therapy services to uninsured and underinsured patients that have exhausted their physical therapy benefits. Student physical therapists provide all care under the supervision of licensed PTs. **Please contact us with any questions at (509) 249-7925.**

Please provide as much information as possible.
