#Students with dependent children will automatically have dependent care assistance added to their budget and their federal student loan offer.

Additional expenses during 2<sup>nd</sup> and 3<sup>rd</sup> years include travel and living arrangements for the full-time clinic experiences during summer semesters and spring semester of the third year. This may include living expenses for out of the area or out of state clinical experiences. Some clinics may have additional requirements such as criminal background checks, drug screening, fingerprinting, etc. These costs are estimated between \$50-\$200 and are at the student's expense. You may request a [Budget Revision](#) to assist with these costs.
